Due to increased volume of traffic, inclement weather, and construction on our highways, please be advised that the scheduled start time of your animal event is subject to a 15-30 minute leeway. (We make every effort to be early.)

Please remember- our truck and trailer will need ample curb space. Please reserve such space for us at your party/event.

Also remember- Our animals are very well behaved, but they are animals- not machines. Children will be asked to keep their distance from the animals until it is their turn to visit, pet or ride. Allow our handlers to run the animal operations.

Please have the balance due payment readily available at the scheduled party/event time. Balance due payments for our services must be paid in cash at the time of the party (unless otherwise arranged). Tips are gratefully received (15-20% is appreciated).

Please note: Often, the demand for our animal party service is great and the animals may be en route to another party/event. Allow them to stay on their time schedule.

Horse and Pony rides must be conducted in a fenced area with a minimum size of 30x30 feet and a maximum size of 1/2 acre. Please make sure area is free of obstructions. *Helmets are recommended for all riders.*

If ponies/horses are to be ridden at the party/event, an "Equine Release of Liability" form can be printed from our site and must be signed at the event for each of the riders participating.

There is an additional charge, not included in event bid if you require us to be set up/or have our vehicles in place, or for any reason any more than 1/2 hour prior to event start time. The charge is \$100.00 per hour and is due with balance of payment on the day of the event.
